My friend recommended this place and told me to ask Brett. I'm very happy to have followed her advice! Brett got me a high-end luxury mattress for a bargain. I don't have a better loan, however, I was instantly approved a lot more than I needed. The staff were very friendly and helpful. Thanks again, guys!- Ashly Ma a month agoThon place is really awesome! The staff were very friendly and helpful. Guest reviews are like this, but you haven't yet? I went to Lake Country Bed Barn in Hartland and the prices there were double for everything. Oconomowoc Furniture direct prices were less expensive than that of all the other competitors for the same mattress, and they included shipping, box springs, and frame! They even offer easy interest-free funding for the first 100 days. What else could you want? If you are looking for furniture, I recommend this place. Thanks to Brett and the boys, I'll definitely be back!!! Tarddeusa a month agoI big small business company that treats you as a person, not just a number. No pushing tactics of the seller and a pleasant choice of quality! Ask Eric!- Heather SGalleryMessage sent. We'll get in touch with you soon. Evan Frank | Milwaukee Journal Sentinel Oconomowoc Furniture Direct, which has been in town for three years, has a new home. The furniture store moved into Brennan's old market location at 1670 Old School House Road about two months ago. We saw (Brennan's former location) sitting for several years and we made a deal,' said owner Jerry Moore. The landlord told us that many people were interested, but no one ever put it on paper and put in an offer. Changing consumer habits and increased competition in the grocery market led to the decision to close all five locations in the Brennan market in September 2017.Earlier in the other two locations, Moore said Oconomowoc Furniture Direct needed more space. We were growing pretty fast,' Moore said. We did not run out of space and rented warehouses a little. We tried to find our home. We don't move after that. Moore's business works with furniture and mattress manufacturers to sell products 30% to 50% less, big shops. We in turn save customers money and try to get their best deal possible, Moore said. The new location is about 25,000 square feet, ft. increase from the previous Oconomowoc Furniture Direct space of 7,000 square feet. It gave us the opportunity we needed to grow, Moore said. We deal with a lot more manufacturers as far as container wise, and we can also carry more product to help more customers at the same time. Moore said the Store's No1 product is mattresses of all sizes with warranties. The business also sells living sofas, love seats, sections, and dining and bedrooms. We're excited to be in this place,' Moore said. We look forward to supporting Oconomowoc with their furniture and mattress needs for as long as we can.
